

**PROVEN  
MORE EFFECTIVE  
THAN ALCOHOL  
GELS ALONE\*\***

**#1 HAND SANITIZING WIPE IN THE HEALTHCARE MARKET**

**BEFORE DOING THIS...**

**USE THIS!**

From your smallest patient to your Chief of Staff... Sani-Hands® contains an alcohol based formula as recommended by the CDC for hand hygiene.\* In addition, an independent lab study has proven Sani-Hands® more effective than gels alone by killing germs and removing dirt and soil.\*\*
