MAKING SURFACE DISINFECTION AND HAND HYGIENE EASY AND CONVENIENT

New 3-in-1 Bracket System Now Fits All Sani-System[®] Canisters

Professional Disposables International Inc., the leading manufacturer of high quality pre-moistened wipes for healthcare has developed a unique bracket system, Sani-Bracket[®] 3-in-1 Wall and Mobile Equipment Attachment System.

The Sani-Bracket 3-in-1 canister holder:

- Quickly and easily adjusts to fit all three PDI[®] canister sizes for Sani-Cloth[®] and Sani-Hands[®] (medium, large and extra large)
- Features labeled brackets for Sani-Cloth[®] that reads “Not for Use on Skin” and for Sani-Hands[®] that reads “Use for Hand Sanitizing”
- Continues to reduce counter clutter and offer convenience to healthcare professionals
- Secures canisters to the bracket to deter theft
- Same footprint as our locking bracket – no need for drilling new holes in the wall

In addition, PDI offers other convenient storage solutions including an additional bracket for the Sani-Cloth[®] extra large dispenser box that holds individually wrapped disinfectant packets, and a floor stand with two sizes—medium and extra large.

For 30 years, PDI has pioneered the development, testing, manufacturing and marketing of pre-moistened wipes as the optimum delivery system for skin antiseptics, hand hygiene, patient and surface care. With trusted brands including Sani-Cloth[®], Sani-Hands[®] ALC (formerly Sani-Dex[®] ALC), Sani-Hands[®] for Kids, Hygea[®] and Chlorascrub[™], PDI serves the healthcare market through hospitals, physician and dental offices, emergency medical services, long-term care, schools and a variety of other healthcare facilities. The company’s manufacturing facilities adhere to current Good Manufacturing Practices, are ISO 9001:2000 certified, FDA registered and EPA registered. Professional Disposables International, Inc. is headquartered in Orangeburg, New York. For more information, visit www.pdipdi.com.
